DO YOU NEED TO MAKE A WILL OR UPDATE YOUR WILL?

Pastor Wolfgang and Julie Stefani, our South Australian Conference Trust Services Team, are offering appointments at the Conference Office on Sunday the 22nd of June. If you are over 18 and have a bank account then you need a Will. Of course, with more assets such as Superannuation, a vehicle, shares and properties, making a Will is even more imperative. Making a Will is an important step in ensuring the future care of your loved ones and it gives you the best chance of making sure your assets go where you want them to. We are happy to be of service to you in this. The process is completely confidential, and the Will is prepared under the direction of a practising solicitor. Please call 0414 612 595 to make an appointment.

Thank you for the support you are giving to PAU as they strive to be an excellent provider of quality, Adventist education.

Signs Month!

For the Signs of the Times team, August is an incredibly special time, as it's when we get to do one of the things we're most passionate about: promoting stories of life change.

This year, we're thrilled to share Bryce's story with you. Bryce hated God. He lost his dad when he was only 11 and though he had godly family, he searched for meaning in all the wrong places. Then, when his life hit rock bottom, he had nowhere to go—except to the God he hated.

Prophecy, The Church & The End Times – Seminar Series

The religious world is changing. Christianity is increasingly morphing into something unrecognisable from previous generations. What does this mean for the future? Join us at Brighton SDA Church for a thought-provoking seminar series:

SPD Report – Celebrating God's Work Across the South Pacific

Last evening we presented a very colourful and diverse SPD report. I was so proud of our people, their cultural dress and smiles. We also presented a 15 minute video report. The link is here as part of the #weRtheCHURCH YouTube Channel.

[Watch it here](#)

The report tells our story – highlighting one important story from each of our Unions – we do not have time to be comprehensive but illustrative of what God is doing amongst us. I hope you are excited by what God is doing and this report as I am. Share it as widely as you desire.

We are very proud of the representative delegates and special guests – they have done their job very well. Keep praying for us.

Blessings as we with God transform the Pacific
