SPD Report – Celebrating God’s Work Across the South Pacific
Last evening we presented a very colourful and diverse SPD report.
I was so proud of our people, their cultural dress and smiles. We
also presented a 15 minute video report. The link is here as part of
the #weRtheCHURCH YouTube Channel.

Watch it here

The report tells our story – highlighting one important story from
each of our Unions – we do not have time to be comprehensive but
illustrative of what God is doing amongst us. I hope you are excited
by what God is doing and this report as I am. Share it as widely as
you desire.

We are very proud of the representative delegates and special
guests – they have done their job very well. Keep praying for us.

Blessings as we with God transform the Pacific
