SPD Report – Celebrating God’s Work Across the South Pacific  
Last evening we presented a very colourful and diverse SPD report. I was so proud of our people, their cultural dress and smiles. We also presented a 15 minute video report. The link is here as part of the #weRtheCHURCH YouTube Channel.

Watch it here

The report tells our story – highlighting one important story from each of our Unions – we do not have time to be comprehensive but illustrative of what God is doing amongst us. I hope you are excited by what God is doing and this report as I am. Share it as widely as you desire.

We are very proud of the representative delegates and special guests – they have done their job very well. Keep praying for us.

Blessings as we with God transform the Pacific

It has become a critical and urgent situation for the Smithfield Community pantry and op-shop. If you have a neighbour or even yourself who love people and are caring compassionate and love the Micah 6:8 gospel. “He shown you. O mortal, what is good.”

Please contact Henk La Dru (henkladru@adventist.org.au) with your expression of interest and availability to join the ADRA team in a special part of Adelaide where love and hope is needed and shared. Henk La Dru ADRA Director SA

Pray for PNG Camp Meetings

Something exciting is happening this week! Seven preachers will be flying to the Eastern Highlands Simbu Mission in Papua New Guinea to share God’s word across various sites in the region.

We’re privileged to partner with this mission and invite you to join us in prayer for the team, asking that the Lord may go before them and that the Holy Spirit may guide each message and encounter.

and remember to keep this team in your prayers as they take part in God’s work in PNG.
