Reach Every Home in Country South Australia

Join with us in supporting the mission of sharing Jesus throughout regional South Australia as we aim to reach approximately 100,000 homes. The early Adventist pioneers in South Australia had an incredible faith and yet faced an enormous task. Nearly 140 years later the missionary challenge is still immense, and we too also need great faith. We invite you to join us in the Faith Promise offering which will support sharing of the Three Angels' Messages in country South Australia. This initiative includes; Bible workers, media ministry, church planting and outreach initiatives and much more.
